**Weight (kg)** 90.00kg  
**Shelves** 1

## Free standing 1st grade Safes - (H50 x W61 x D45 cm)

The **OCEAN SAFE** is the new EN 1143-1/1<sup>st</sup> grade **certified safe** and it is part of CONFORTI's **design-safes line**.

It combines the concept of safety with a captivating appearance: the steel studs running along the perimeter of the door, the handle and the keyhole cover show an exclusive design.

The beautifully elegant interior includes a movable shelf and a lacquered wooden drawer with inside padding. The light gray shelf and drawer are created to best accommodate valuables.

The small size of the safe facilitates placement in private homes, shops, offices, professional studios and more.

**The OCEAN SAFE is ideal for those who, in addition to safety, long for an aesthetically pleasing product.**

---
