SAND SAFE, free standing 1st grade Safes

The **SAND SAFE** is a perfect match between **attractive design and security**. The safe is EN 1143-1 1st grade certified and offers high protection for your valuables.

The **burnished studs** of the door enrich its appearance, they represent a decorative touch which perfectly fits with the style of the brass handle and the keyhole cover.

Inside the **SAND SAFE** you will find a pleasant surprise: a **free battery light** which allows easy access and gently illuminates your precious objects.

For better accommodation, the safe is equipped with a **tray dedicated to jewels** in order to arrange your watches, earrings and bracelets always in an orderly and safe way.

CONFORTI SAND SAFE contributes to embellish your environment. Thanks to its small size, it easily adapts to **private homes, shops, offices and professional studios**.

As required by regulation **this certified safe is designed for floor and/or wall fixing**.

The OCEAN SAFE is ideal for those who, in addition to safety, long for an aesthetically pleasing product.
